**PLEASE READ CAREFULLY**

If you book a ticket for a paid event and do not turn up you will be expected to pay the full ticket price as we will have paid for the tickets in advance. We will try to pass on your ticket to someone but that is not always possible, and in this event you are liable for the cost.

Please also arrive in plenty of time for ticketed events as the Meet and Greet person is going to the performance/event too. If you do not arrived by 15 mins to curtain up your ticket will be left at the box office.

Please make any special access requirements known to us at time of booking. As far as possible we will let you know if the venue is accessible but if you have further questions about the venue, then please contact them directly as they will be better able to answer your questions/help you. If you require **transport** to any event, you could check if anyone else from your area is attending the same event and perhaps wouldn't mind giving you a lift or sharing a taxi. We encourage you to make contact with other Cultural Companions who are listed in the Directory. Call Kim to see if someone else from your area is going to the same event as you. You could call them beforehand and perhaps organise to travel together or meet afterwards.

**We need more Meet and Greet volunteers: if you are interested please call Kim (Mon Weds and Thurs) on 01 805 7713.**
