

Arts & Creative Charter for Older People: Survey

Hello,

This survey will take no more than 5-10 minutes to complete and we are very grateful for your contribution to the creation of Ireland's first Arts Charter for the inclusion of older people in the arts. We want to ensure that we will engage with a wide range of participants and welcome those aged 50 years of age and over to participate in this survey. You can find out more about the Charter by reading the Draft Charter document that you would have seen printed with this survey. You can also find it on our website: www.ageandopportunity.ie/arts-charter-survey. We recommend reading that brief summary before completing this survey.

You can submit your responses anonymously but will be asked at the end if you would like to be contacted in which case you can submit your contact details.

About Age and Opportunity

Age & Opportunity is the leading national development organisation working to enable the best possible quality of life for us all as we age. We work with a multitude of public and private partners such as government departments, local authorities, health services, universities, community groups, arts and culture organisations and local sports groups to provide opportunities for older people to be more active, more visible, more creative, more connected, more confident, more often.

Thank you & enjoy!
