Part 1: Background information

Who we are

Age & Opportunity is the leading national development organisation working to enable the best possible quality of life for us all as we age. We do this by:

- championing the creativity and value of older people;

- combating stereotypes and negative views of ageing;
- developing inclusive and engaging experiences which respond to the interests and needs of the diverse older adult population;
- developing, testing and measuring the impact of pioneering programmes and approaches;
- making evidence available to policy-makers and service providers;
- working with partners and stakeholders to ensure that Ireland's policies, strategies and programmes are directly informed by the needs and experiences of older people.

Our Programmes

We provide opportunities for older people to be more active, more creative, more visible, more connected, more confident, more often in the following ways.

Age & Opportunity Arts is a dedicated programme which supports the participation and representation of all older people in cultural and creative life in Ireland, demonstrating and celebrating how our creative potential can improve with age. We do this work by supporting and resourcing artists, collaborating with arts organisations and encouraging involvement in arts activities by people all over Ireland.

Age & Opportunity Active is the national physical activity programme for older people funded by Sport Ireland and the HSE. The programme is designed to get us more active. Our Go for Life Games are a national celebration of older people taking part in physical activity. Every June we run a national event, when over 300 participants and teams from every county come together to take part in a full day of sport. The event is a variety of fun games and sports specifically adapted to be more inclusive of all ages and abilities.

Other initiatives we run include a telephone mentoring service called FitLine and our very popular PALs (Physical Activity Leaders) training suitable for anyone interested in leading physical activity programmes in their community.

Age & Opportunity Engage is a programme which offers a range of learning initiatives, courses and workshops for personal development as well as opportunities for us to play an active role in our community. Our aim is to facilitate participants to develop resilience, build the skills, know-how and the foresight to achieve the best quality of life. We believe that people who work directly with older people - or whose work affects the lives of older people - should be conscious of their needs and the value of their participation in society. As organisations become increasingly aware of the contribution of their older employees, customers and clients - will benefit from our bespoke training, facilitation and range of national workshops and courses.

Arts & Creative Charter for Older People

Since 2019, Age & Opportunity Arts have been developing a national Arts & Creative Charter for Older People which will pilot in 2022 before a full launch in 2023.

The Arts and Creative Charter for Older People aims to raise the standard of arts practice in relation to older people and to create confidence amongst older people in relation to participating in the arts in Ireland. The initiative is an alignment and collaboration between arts policymakers, practitioners and the public. The Charter will set out the arts sector's commitment to promoting the values and contributions of older people. We are committed to the participation of older people in the arts as artists, audiences, creators, critics, teachers and learners.
