Background

Age & Opportunity is the national organisation that provides a range of opportunities for older people who want to get more involved in arts and culture, sport and physical activity, civic engagement and personal development. Our mission is to enable the best quality of life for us all as we age. Our vision is of an Ireland where all older people can be more active, more visible, more creative, more connected, more confident, more often.

We have an opportunity for a candidate who is highly motivated, with a strong project management and volunteer management background, to join our Active

Programme team as FitLine Coordinator, to lead on the further development and nationwide expansion of our FitLine initiative. FitLine is a free telephone support service, delivered by volunteer mentors, who encourage older people to start being physically active and maintain physical activity as part of their daily lives.
